

Galilee Curated book list - Selected titles

Dear book lovers, this is very small number of titles considering the many wonderful books many of these great authors and others have published. We are interested, as well, in some Primary sources (good and new translations) under the umbrella of Contemplative Spirituality, Prayer and Practice. Please let me know of titles/authors you think *ought* to be on the shelves. This is a start. Thanks, Susan- susankehoe15@gmail.com
